Re: Arrival Communications, Inc. / U.S. TelePacific Corp.  
ITC-T/C-20061211-00554

Dear Ms. Dortch:

The Department of Homeland Security ("DHS") with the concurrence of the Department of Justice, including the Federal Bureau of Investigation ("FBI"), request that the Federal Communications Commission ("Commission") defer action in the above-captioned matter to transfer control of Arrival Communications, Inc. ("Arrival") to U.S. TelePacific Corp. Arrival holds a domestic and international section 214 authorizations. DHS, DOJ and FBI ("the agencies") are currently reviewing such matter for any national security, law enforcement, and public safety issues, but have not yet completed that effort. See generally, In the matter of Rules and Policies on Foreign Participation in the U.S. Telecommunications Market, 12 F.C.C. Rcd. 23,891, ¶ 63 (November 26, 1997). We are therefore requesting that the Commission defer action until such time as the agencies notify the Commission of the completion of their review and, based on the results of such review, request appropriate action by the Commission.

DHS, DOJ and FBI will advise the Commission promptly upon completion of our review.

Thank you for your consideration.

Sincerely,

/s/ BRANDT PASCO
